

§ 890.1032

(iii) Other official findings by Federal, State, or local bodies that determine factual or legal matters.

(c) *Determining need for immediate action.* Suspension is intended to protect the public interest, including the health and safety of covered individuals or the integrity of FEHBP funds. The suspending official has wide discretion to decide whether to suspend a provider. A specific finding of immediacy or necessity is not required to issue a suspension. The suspending official may draw reasonable inferences from the nature of the alleged misconduct and from a provider's actual or potential transactions with the FEHBP.

§ 890.1032 Length of suspension.

(a) *Initial period.* The initial term of all suspensions shall be an indefinite period not to exceed 12 months.

(b) *Formal legal proceedings not initiated.* If formal legal or administrative proceedings have not begun against a provider within 12 months after the effective date of his suspension, the suspending official may:

(1) Terminate the suspension; or

(2) If requested by the Department of Justice, the cognizant United States Attorney's Office, or other responsible Federal, State, or local prosecuting official, extend the suspension for an additional period, not to exceed 6 months.

(c) *Formal proceedings initiated.* If formal criminal, civil, or administrative proceedings are initiated against a suspended provider, the suspension may continue indefinitely, pending the outcome of those proceedings.

(d) *Terminating the suspension.* The suspending official may terminate a suspension at any time, and shall terminate it after 18 months, unless formal proceedings have begun within that period.

§ 890.1033 Notice of suspension.

(a) *Written notice.* OPM shall send written notice of suspension according to the procedures and methods described in § 890.1006(c)-(f).

(b) *Contents of notice.* The suspension notice shall contain information indicating that:

(1) The provider has been suspended, effective on the date of the notice;

(2) The initial period of the suspension;

(3) The basis for the suspension;

(4) The provisions of law and regulation authorizing the suspension;

(5) The effect of the suspension; and

(6) The provider's rights to contest the suspension.

§ 890.1034 Counting a period of suspension as part of a subsequent debarment.

The debarring official may consider the provider's contiguous period of suspension when determining the length of a debarment.

§ 890.1035 Provider contests of suspensions.

(a) *Filing a contest of the suspension.* A provider may challenge a suspension by filing a contest, in writing, with the suspending official not later than 30 days after receiving notice of suspension. The suspension shall remain in effect during the contest, unless rescinded by the suspending official.

(b) *Informal proceeding.* The suspending official shall use informal, flexible procedures to conduct the contest. Formal rules of evidence and procedure do not apply to this proceeding.

§ 890.1036 Information considered in deciding a contest.

(a) *Presenting information and arguments to the suspending official.* A provider may submit documents and written arguments in opposition to the suspension, and may appear personally, or through a representative, before the suspending official to provide any other relevant information.

(b) *Specific factual basis for contesting the suspension.* The provider shall identify specific facts that contradict the basis for the suspension as stated in the suspension notice. A general denial of the basis for suspension does not raise a genuine dispute over facts material to the suspension, and the suspending official shall not give such a denial any probative weight.

(c) *Mandatory disclosures.* Any provider contesting a suspension shall disclose the items of information set forth in § 890.1023(c). Failure to provide such information completely and accurately
